<https://imagine.microsoft.com/en-us/content/details/4>

2. Iniciar sesión con cuenta Hotmail o Msn.

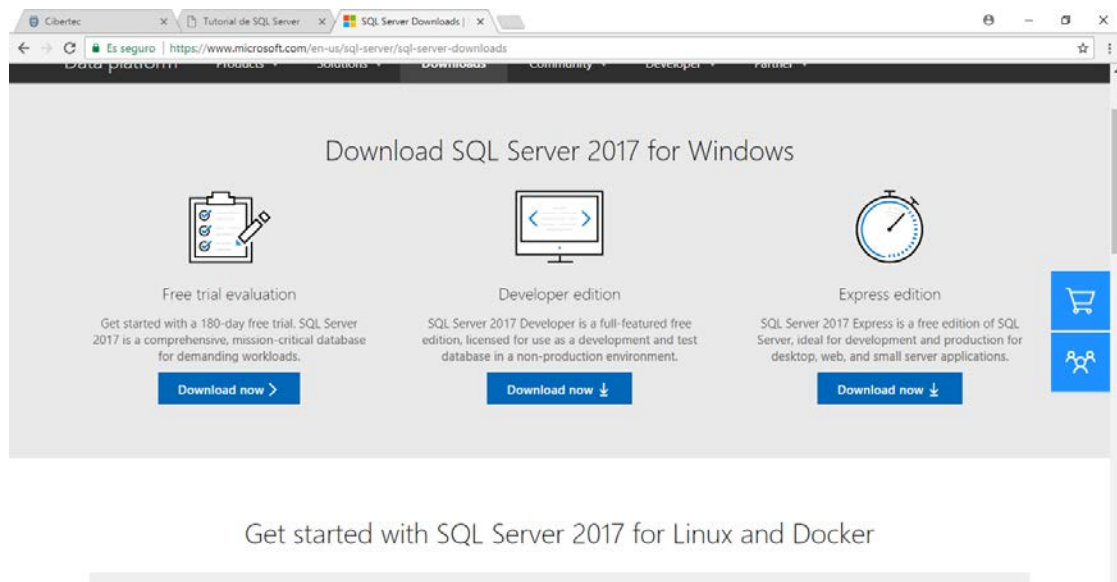

3. Completar los datos e indicar como escuela a CIBERTEC.

The screenshot shows the Microsoft Imagine account page for a user named Johan. The page has a purple header with navigation links: Microsoft Imagine, Account, Products, Code, Compete, Institutions, About, and Blog. Below the header, a message states: "You must accept Microsoft Imagine terms and conditions to complete registration." The main content area says "Hello, Johan" and "Make sure your account is accurate and up to date." There is a section titled "Your info" with a note: "\*Indicates required information". Below this, there are fields for "First name" (Johan), "Last name" (tasilla), "Country or Region\*" (Peru), "State" (a dropdown menu), "Imagine Compete Country\*" (Peru), and "Email" (johan\_99\_9@hotmail.com). A link "To update your info, visit Microsoft Account settings" is also present.

4. Elegir SQL e iniciar la descarga la edición Developer Edition.

The screenshot shows the Microsoft SQL Server 2017 download page for Windows. The page has a dark header with navigation links: Data platform, Products, Solutions, Downloads, Community, Developer, and Partner. The main heading is "Download SQL Server 2017 for Windows". Below this, there are three columns, each with an icon, a title, a description, and a "Download now" button. The first column is for "Free trial evaluation" with a clipboard icon, describing a 180-day free trial. The second column is for "Developer edition" with a monitor icon, describing a full-featured free edition for development and testing. The third column is for "Express edition" with a clock icon, describing a free edition for development and production. On the right side, there are two blue buttons: a shopping cart icon and a user icon.
